Be a Part of Los Gatos History! Join Us for a Time Capsule Ceremony at the New Los Gatos Library

Los Gatos, CA - On Tuesday, June 21st at 10:00 a.m., the Los Gatos community will celebrate the installation of a Time Capsule near the entryway to the new Los Gatos Library. A commemorative plaque will identify the Town's bicentennial on August 10, 2087 as the opening date for the Time Capsule.

Our goal is for the contents of the time capsule to tell the story of life in Los Gatos at the time the new Library was built. A collection of photos, articles and local memorabilia will be placed in the capsule, hopefully along with an ipad loaded with local information (and including a charger that will hopefully still work!).

A very special item in the capsule will be a collection of personal notes about life in Los Gatos. The Mayor and Council have invited community leaders, Library supporters, and business, service, faith and educational organizations to compose a note to include in this collection. Due to the limited size of the Time Capsule, only selected momentos and personal notes from invited parties can be included.

Other community members will also have an opportunity to send a message to the future on scrolls available at the current Library and at the public counter at Town Hall. The public is invited to visit Town Hall or the Library by Friday, June 17th to write a message on one of the scrolls that will be placed in the Time Capsule.

The Time Capsule ceremony will be brief, and will include remarks by the Mayor and cross-generational members of the community, and the reading of a poem by the Town's Poet Laureate. Please join the Town in sending a message to future Los Gatans on the scrolls at the Library and Town Hall and in witnessing the installation of the Time Capsule on June 21st.
