LET THE GAMES BEGIN!

Los Gatos, CA – The community is invited to the Opening Ceremonies for the Los Gatos Creekside Sports Park on Saturday, October 27 beginning at 10:00 am. The opening program will feature the Mayor, youth sports leaders and youth, along with the Los Gatos High School cheerleaders. LGHS graduate, Justine Lauren, will sing the National Anthem and South Bay radio personality and Los Gatos resident, Kim Vestal, will emcee the event. Everyone will be invited to “Let the Games Begin!” in a special, fun way.

Following the opening ceremony, Los Gatos-Saratoga Recreation will provide activities through its *Kids Love Soccer* and *Little Slugger* programs, and free play will be allowed on a portion of the field. Youth are encouraged to wear their favorite sports jerseys. Refreshments will be available.

The first official United Soccer League games on the new field will be at 1:30 pm and 4:30 pm Saturday. Lacrosse, cricket and soccer games will be held on Sunday at 10:00 am, 1:00 pm, and 4:00 pm, respectively.

Parking will be available on site and in designated adjacent lots on University Avenue. Carpooling is encouraged.

The grand opening of the Creekside Sports Park is another highlight of the Town’s Jubilee Year celebration, which has featured the opening of the new library and *Party in the Parks*, a townwide birthday party held on August 10. The dedication of the renovated Pageant Grounds in December will top off the Jubilee Year.
