Assistant Town Manager  
Town of Los Gatos  
408.354.6832

John Agg  
Executive Director  
Museums of Los Gatos  
(408) 395-7386

### **“LOVE LOCKS” WILL FIND A NEW HOME**

**Los Gatos, CA** –The Museums of Los Gatos, in cooperation with the Town, will be providing a new location for the “Love Locks” to address public property and safety concerns associated with their placement on the Main St. bridge. Museum representatives are currently designing a location for the locks, and encourage all existing or prospective “Love Lock” participants to bring their locks to the Art Museum on Tait Ave. or contact them at (408) 395-7386 for more information. The Museum will provide further details about the new location when it is finalized.

Notices to remove the “Love Locks” by January 31, 2013 have appeared on the Caltrans-owned bridge since December, and the “Love Locks” will be removed on February 1. Removal will require the locks to be cut off the fence, and thus, the locks will no longer be functional. The Town will store the locks that are removed at the Town Corporation Yard on Miles Ave. until February 15 for pick up by owners. The Town prefers that individuals personally remove their own locks by January 31, and participate in the Museums’ “Love Locks” installation.
