PAGEANT GROUNDS DEDICATION AND ARBOR DAY CELEBRATION

Los Gatos, CA – The Town of Los Gatos invites the community to the dedication of the newly renovated Pageant Grounds and the annual Arbor Day celebration on April 20, 2013. The Saturday festivities will take place at 11:00 a.m. at Pageant Grounds, which is located directly behind Town Hall. This event offers an opportunity to explore the newest and oldest park in Los Gatos, and enjoy a Saturday of family fun.

Come out and celebrate with activities and fun for all ages. Enjoy the uplifting music of the Peninsula Scottish Fiddlers, an original poem by Erica Goss, the Town's Poet Laureate, free face painting and gourmet popcorn. In addition, children will receive bubble-makers, and everyone will receive a free reusable bag.

In early celebration of Arbor Day, children from the Los Gatos community will honor the holiday by planting two trees in Pageant Grounds. This year will be the 33rd year the Town is recognized as a "Tree City USA."

The Mayor and Council will cut the ribbon to officially unveil the recently renovated Pageant Grounds. Between 1919 and 1930, the Town hosted annual summer pageants in the park. The upper level next to the hill served as the stage, and an orchestra pit was in the lower area. The audience sat on a sloping area that is now occupied by the Civic Center.

This unique event will offer music and fun for the whole family from 11 a.m. to 12:30 p.m. Following the event, the community is invited to enjoy the beauty and tranquility of the Pageant Grounds.
