

**Responses to Questions  
Regarding  
Request for Proposals  
for the  
Almond Grove District Street Reconstruction – Phase II  
Town Project # 13-31**

**Question #1:**

The RFP say that the cost to the Town will be one of the criteria in the selection process. Do you have a guideline % for that part? Also, will there be an opportunity for the selected consultant to negotiate the final fee after selection?

Part of the proposal criteria does include costs as the town wishes to get the highest quality services within a reasonable fee schedule. Costs will be one of eight ranking criteria that will receive rating points. The town will provide information on the point distribution between these rankings after completion of the selection process.

After reviewing the written proposals, the top candidates will be called in for an interview process. The top candidate from the interview process will then enter final negotiations with the town. If a contract cannot be agreed upon, the town reserves the right to negotiate with the proposers in order of final ranking.
